

THE 2022 LONGINES ATHINA ONASSIS HORSE SHOW RETURNS TO DAZZLE THE FRENCH RIVIERA WITH GCL ACTION, A NEW CSI 2* CHALLENGE, & GLITTERING, AFTER-SHOW PARTIES EACH EVENING

Few places shine brighter than the French Riviera in springtime, and the sunbaked shores of Ramatuelle/Saint-Tropez will once again host the best riders in the world for one weekend during the fifth leg of the 2022 Longines Global Champions Tour (LGCT). Taking place from May 19-21, the Longines Athina Onassis Horse Show (LAOHS), part of the Global Champions Tour of Saint-Tropez, will welcome back decorated professionals as well as ambitious amateur riders for three days of top-tier CSI 5* and CSI 2* show jumping competition.

Promising a return to the relaxed glamour and star-studded spectator experience that has become synonymous with the Longines Athina Onassis Horse Show, this year's event will include a number of highly anticipated additions to the itinerary for competitors and visitors alike.

The CSI 5* program this year will include six, top-level ranking classes, including two rounds of thrilling Global Champions League (GCL) team competition, and culminating with the coveted LGCT Grand Prix of Saint-Tropez on Saturday afternoon. Also featured on the schedule are a wide range of CSI 2* classes dedicated to amateur riders of all ages. A total of €600,000 in prize money will be on offer throughout the weekend—and that's not all.

For the first time in 2022, the Longines Athina Onassis Horse Show will also host a special CSI 2* challenge in partnership with **Cavalleria Toscana's** new **CT Academy**. With valuable points up for grabs during three days of CSI 2* competition, the top three riders at the 1.15m, 1.25m, and 1.40m levels will be awarded special prizes from CT Academy at the close of the weekend. In addition, CT Academy's professional sports team—which includes experts in nutrition, physiotherapy, and personal training—will be on-hand throughout the event, offering services for LAOHS competitors and highlighting their new program for supporting the “whole rider,” in and out of the saddle.

In addition to the action inside the arena, attendees will benefit from Ramatuelle's postcard-worthy scenery, delicious ring-side dining and
